

Go out and fall in love with somebody! It'll do your understanding of literature the world of good. For Casey and Stew, this advice from their English teacher is just the beginning. How exactly do they fall in love? Casey meets Dean at a party. Dean is gorgeous, he rides a motorcycle, and he's dancing with her. But Casey soon discovers that Dean's rebel-without-a-cause act can only go so far. Stew meets Lucy at the school dance concert. He's doing the lighting; she's the star. Everything is going well until Stew realizes that Lucy's dancing will always come first. Literature is one thing, but what happens if the person you fall in love with doesn't fall back?
