

Here comes the march of the penguins and the Antarctic fox, Arctic shrew, Lapland longspur, and Canada lynx. These are creatures of the extreme cold, from the ermine and polar bear to the gyrfalcon and reindeer, and children will love connecting the dots and learning all about them. Monica Russo, author of nearly a dozen great dot-to-dot collections, has provided a thoroughly appealing introduction that's packed with fascinating information. Each spread contains one full-page picture and a page of facts, plus a small drawing of a globe with an arrow pointing to the region where the animal lives.
