

¿Por que hay personas delgadas a las que vemos siempre comer chocolate, mientras otras pasan la mayor parte de su vida con dietas que no le permiten bajar ni un misero gramo? ¿Por que la vida es tan injusta? Con un humor que te doblara de risa, Andrea Cordoniz explica que todo esto se debe a que hay gente que tiene el alma flaca y otras todo lo contrario: poseen una alma gorda. Por culpa de esta espantosa alma gorda preferimos cenar pasta aunque tambien haya ensalada; si nos ofrecen una segunda rebanada de pastel la aceptamos con gusto; se nos antoja mas un tamal que una manzana, ¿si esa alma gorda sigue con nosotros jamas podremos bajar de peso! No cabe duda: el primer paso para vencer al enemigo es conocerlo. ¿Dile adios a tu alma gorda! Why are there skinny people that can eat all the chocolate they want while there are others that spend the majority of their lives on diets yet cannot lose one pound? Why is life so unfair? With candor and humor, Andrea Cordoniz explains that some people have a "skinny soul" and others just the opposite, a "fat soul". Because of this "fat soul", some prefer to eat pasta instead of salad; if offered a second slice of pie, they gladly accept it; they prefer a burger to an apple. If you follow this "fat soul", you will never, ever lose weight! No doubt, the first step in defeating the enemy is to recognize it. Say goodbye to your "fat soul"!
