

Help students develop the reading comprehension skills they will need to succeed on Massachusetts MCAS English Language Arts test. This workbook offers a simple system for ongoing test prep practice that will help students develop the reading comprehension skills that all Massachusetts students need. Each set in the workbook includes reading comprehension questions similar to those found on the state test, plus a core skills exercise focused on one key skill that students are expected to have. The 40 sets in the book allow students to gradually develop all the key skills they will need, while building confidence and reducing test anxiety. New for 2012-2013 Massachusetts has adopted the Common Core State Standards. This workbook has been expanded to include core skills exercises focused on the reading, writing, and language skills described in the Common Core State Standards. Test Preparation Made Easy - 40 reading mini-tests to make test preparation simple - Short passages and question sets allow for easy 20-minute practice sessions - Engaging reading passages to make revision fun - Easily integrates with student learning throughout the year - Covers the same skills tested on the state test - Includes exercises focused on developing the reading, writing, and language skills described in the Common Core State Standards - Includes additional information and teaching notes on the key reading skills that Massachusetts students need to master
