

This practical reference for LAN, WAN and internetworking managers gives them the information they need to know to protect their networks from outside and inside threats. It covers both voice and data network protection, showing where companies are usually weak and how to implement effective network security audits.

Alfreds MAX Guitar, Bk 2: See It * Hear It * Play It, Book & DVD (Alfreds MAX Series), The dramatic works of Shakespeare, in six volumes; with notes by Joseph Rann, A. M.
