

The Split Sky is an inspirational story about growing up, overcoming adversity, winning in spite of the odds, and becoming your own hero. It's the true tale of a sixteen-year-old boy who wants to be a man and finagles a summer job as a cowboy on a large cattle ranch in Eastern Utah in 1963. Inside you'll discover beautiful country, unexplored canyons and Indian ruins. You will encounter horses, dogs and pretty girls, but also face wild animals, ghosts, snakes and evil men, a mountain lion chained to a barrel and an ocean of hay. But ultimately, The Split Sky is about reaching out and finding God and self in the wilderness.
