

Alicia Riley considers her job as a sports therapist for the St. Louis Rivers baseball team is a home run-until she becomes the primary therapist for star pitcher Garrett Scott. Out of the lineup with an injury, hes short-tempered, hard to handle, and every solid inch a man. Right now, the only demand hes making on Alicia is that she get him ready to pitch in time for opening day. Except the sexual chemistry between them is so charged, Alicia is tempted to oblige Garrett just about anything. But both their careers are at stake-one bad move and its game over for both of them. Garrett also feels the hot sparks between them, and the way he figures it, what better therapy is there than sex? Now all he has to do is convince the woman with the power to make the call.
